

Arlington Camera Club

Meeting at the Arlington Heights Historical Museum (side entrance), 110 W Fremont, Arlington Heights IL.

Member Application

The Arlington Camera Club dues are \$25.00 per year (\$20 for seniors, \$15 Students). Our Club year runs from September 1 to June 30. Dues are payable in September. In order to have a successful Club it requires people to perform certain functions. Therefore, besides the payment of dues, we request that you belong to at least one of our committees to assist with the ongoing operations of the Club.

You need not have any expertise in any of these specific areas, just a willingness to help.

The success of the Club is dependant on its members' contributions.

Description

Competition - The set up and preparation of all images for our competition, including the recording of scores and preparation of awards and monthly reports.

Workshops - Establish and provide workshops for the membership as necessary to provide an interesting and varied hands-on meeting.

Judging - Procure and make certain that we have 3 judges at each competition. Prepare certificates and introduce judges.

Programs - We provide several program nights throughout the year and you would be part of the team to secure presenters.

Field trips - This can also be a valuable learning tool and they are best when there is a leader to provide a theme or instruction. You would have to provide the leader and find interesting places to photograph.

Publicity - In order to keep the Club growing we need more members and your duties are to prepare brochures and distribute them.

Newsletter - We provide a monthly newsletter and you would work with our editor in providing news, and other informative articles to our members.

Web Page - This would entail working with our webmaster on updating and changing our web page to keep it informative and interesting. We also maintain an email group site on Yahoo for the exchange of information and providing calendar information and notices to our members.

Tools and equipment - The Club owns a variety of equipment and some of this equipment is needed for a meeting. You would work with the leader in making sure that the equipment is at the meeting and working, and also make sure that the meeting area is properly set up. You would also be responsible for takedown and returning the equipment to storage area.
